Additional Underwriting Guidelines:

- Non combustible construction-Other than reinforced steel construction is not eligible in coastal counties.
- Any exceptions require prior approval from Underwriting.
- Any risk located in any A or V flood zone must have flood insurance in place
- Premium must develop to \$500 for offices and \$750 for other classes

Individual Risk Premium Modification – rates for a risk may be modified to recognize special characteristics of the risk that are not fully reflected in the basic company rates. Risks can be credited or debited by 25%. **The risk must generate a minimum premium of \$1,000 to qualify.** Please contact your underwriter if you feel a risk warrants IRPMs.

SUBMIT TO UNDERWRITING – Any risk or exposure:

- Cancelled or non-renewed by another company
- With wholesale operations
- That is habitational
- With prior loss activity within 3 years
- With date of construction **60** years or older, both for owner and tenant occupancy
- With annual sales receipts greater than \$3,000,000
- With hired and non-owned auto coverage
- Without prior insurance or where there has been a gap in prior coverage of more than 30 days
- For classes not contained in risk selection guide
